

PARTNER WITH GEEK ROOM

Geek Room runs hackathons, meetups and hiring challenges where 150K+ builders across 400+ colleges learn, connect and build in public.

150K+ builders

20+ campus chapters

70+ events concluded

TRUSTED BY

AI labs, cloud platforms, developer tools and global brands that have built, hired and launched with our community.

HERE'S WHY COMPANIES WORK WITH US

(01)

**Reach
150,000+
student
developers**

(02)

**Build
awareness
among Gen Z
developers**

(03)

**Hire
engineers
through
hackathons**

(04)

**Run API
adoption
campaigns**

(05)

**Get quality
products built
on your
product**

HERE'S WHAT YOU GET

(01)

EVENT NAMING RIGHTS

Your brand on the event itself, across every touchpoint.

(02)

MENTORING & JUDGING

Your engineers on the floor and on the panel.

GLOBAL

We get your brand outreach in multiple countries, with products being built on your stack across those countries and a steady volume of content from every region we run in.

(03)

BRAND & ACCESS

Stage time, booths and direct access to developers.

(04)

PRODUCTS BUILT ON YOUR STACK

Problem statements that turn participants into users.

FLAGSHIP · DELHI

CODE KSHETRA

13,000+ registrations

A 36-hour flagship hackathon backed by over two months of sustained marketing across our channels, building demand long before day one.

FIRST IN INDIA

**MASTERCARD
HACKATHON**

7,000+ registrations

Mastercard's first hackathon with a developer community in India. We got the compliances right, brought the right builders to the problem statement, and participants were hired from it.

BUILT ON PARTNER PROBLEMS

EV • GURUGRAM

HACKSMART × BATTERY SMART

200+ projects in under a month

Built around the EV and battery-charging business. Participants learned the technology behind Battery Smart and worked on their problem statement, from 5,000+ registrations.

MLH HACKDAYS • BLR

HACKBLR

100+ companies involved

Joined by companies building voice AI and AI agents, with teams building agents on their real use cases and products, and people from 100+ companies working alongside us.

(08) OUR WORK

GEEK ROOM

OUR WORK

Rooms full of builders, every event, every city.
